

# Angela Chaman of Laffey Real Estate Sells Vista Drive for \$4,625,000

*Highest Recorded Transaction in Great Neck Ever*

GREENVALE, NEW YORK, UNITED STATES, September 5, 2017 /EINPresswire.com/ -- [Laffey Real Estate](#) is proud to announce the sale of 21 Vista Drive, Great Neck by [Angela Chaman](#) for \$4,625,000.

This 11,000 square foot 12- room Brick Colonial was built by renowned North Shore builders, [Rockwell Developers](#). Set on almost 2/3 acre of picturesque lands sits this 7-bedroom, 7.5 bath estate residing on one of the most coveted streets of tony Great Neck Estates. Three levels of exquisite living spaces include two bluestone patios, second floor balcony off of the Master suite and a fully finished lower level complete with Entertainment room, theatre, gym, laundry center and additional bedroom and bathroom. The craftsmanship is of the highest quality evidenced throughout this stately brick home in the refined millwork in the cabinetry, architectural woodworking, and flooring.

With over 30 combined years of experience, Rockwell Developers has built countless custom homes designed by the area's top architects. Their expertise in the construction and development of luxury homes is well known on the North Shore. Ranging in size between 4,000 and 10,000 square feet, with some being significantly larger, a Rockwell home incorporates many

standard features considered "extras" by other builders. The developers apply the same level of quality and distinction into every home. Their energy, motivation and commitment to excellence separate Rockwell Developers from the rest. Custom home development is considered an art and a science by the partners. Both Jon Bijari and Danny Ostad, partners at Rockwell Developers believe their legacy is twofold. Timeless craftsmanship and personal attention on every job combined with indulging their clients from the first meeting.

The home originally sold December 2016 for \$4,240,000. It was relisted just seven months later and sold in only 8 days at almost a 10% premium over the prior closing price. To date, as per MLS, outside of Kings Point, this sale represents the most significant and the highest priced residential home sold in Great Neck ever.

Chaman is also representing Rockwell Developers on three additional luxury new construction homes: 12 Clover Drive, 22 Amherst Road and 26 Amherst Road. For more information visit [www.laffey.com/agents/AngelaChaman](http://www.laffey.com/agents/AngelaChaman)
