LAFAYETTE, CO, USA, September 5, 2017

/EINPresswire.com/ -- Tye's latest book encapsulates motorcycles, adventure, and the kinship of brotherhood. Men can develop an unspoken bond, brotherhood, that transcends time and distance. This book is about that unbreakable bond. In the Last Ride, there is a small group of bikers that share this connection, that not even death can break. The loss of a friend tests the male characters in this story, as the remaining members of a close group of friends take a journey of a lifetime - their Last Ride. They fulfill that oath of brotherhood on a life-altering last ride full of intrigue, trials, and adventure. This is a must read for the motorcycle enthusiast; it will keep you captivated from beginning to end.

Tye is a motorcycle rider first and an author second. This is a powerful story written from his heart and his experience. It is something only a true rider could express. He gives you an up close and personal look at the brotherhood of men, and the brotherhood of bikers. It is this brotherhood that leads men into battle and never leaves a fallen man on the battlefield.

My wife almost yelled at him, “OH YES HE WILL!” I bought
