

Learning! 100 Award Winners Revealed at Enterprise Learning! Conference 2017; T-Mobile & DAU Take Top Spots

The 7th Annual Learning! 100 Awards Recognize the World's Top Global Learning Organizations; Top 100 Rankings Revealed. T-Mobile & DAU Take Top Spots

SAN DIEGO, CA, USA, September 7, 2017 /EINPresswire.com/ -- The <u>Elearning!</u> Media Group announces the <u>Learning! 100</u> top learning organizations rankings for 2017 at the awards dinner and reception held on August 29th in San Diego, CA at the Enterprise Learning! Conference (ELC) 2017.

"The Learning! 100 recognizes the top 100 global learning organizations for high performance. These organizations are innovative, collaborative and have a truly immersive learning culture," reports Catherine Upton, Award Chairperson. "Organizations from 5 to 2 million employees were recognized this year, proving size does not matter when it comes to making a difference in the learning field."

Celebrating its 7th year, the Learning! 100 are comprised of 60 corporate enterprises and 40 public sector organizations. Previous honorees include American Heart Association, AT&T, Cisco, Khan

Academy and Verizon. View previous honorees at: http://www.2elearning.com/awards/learning-100-awards

The Learning! 100 Award program has become central to many learning organizations KPIs. To be recognized alongside winners like T-Mobile, #1 this year, is a great achievement for any organization."

Catherine Upton, Group Publisher, Elearning! Media Group At the 2017 awards ceremony, the top ten winners in private and public sectors were asked to provide insights, advice and accolades during the ceremony. Each featured a video showcasing their organization's culture and branding. From hip-hop at Uexcel, T-Mobile's sales culture training, to ADL's collaborative technology initiatives, each organization showcased why they are among the best in the world. About the Learning! 100 Awards

The Elearning! Media Group's (EMG) Learning! 100 Awards recognize excellence in learning across enterprises that invest in a truly immersive learning culture. Learning! 100 Awards recognize the top 100 organizations for their best-in-class learning and development programs, enabling learning culture that creates outstanding organizational performance. Whether the firm is large or small, learning is department-led or enterprise-wide, you should apply for the Learning! 100 Awards.

The Learning! 100 are honored at the annual awards reception and ceremony. They are also featured in articles, Web seminars, blogs, and

conference sessions hosted across the year by Elearning! and Government Elearning! magazines. Bayer AG, DAU and Department of Veterans Affairs Acquisition Academy are featured in the September and November editions of Elearning! Magazine. Learn more at: www.2elearning.com

Methodology

The Learning! 100 is a research-based program that provides organizations a benchmark for future development; is quantitative and qualitative; and is unbiased by size of the organization. Learning! 100 applicants are evaluated on three sets of criteria: Darden School's Learning Culture Index. Collaborative Strategies' Innovation & Collaboration Ratings and overall organizational performance. Every submission is evaluated on the same criterion, scores totaled and ranked for the Learning! 100.

2018 Learning! 100 Dates

The Learning! 100 Awards application period opens January 1st to March 31st, 2018. Applicants that make the top 100 list are notified by April 15th. The final rankings are revealed at the Annual Learning! 100 Award Ceremony hosted during the Enterprise Learning! Conference 2018.
