Commercial Cleaning Franchise Builds Out Office Space with Training Facility, Support Services and Launches New Website

ROLLING MEADOWS, IL, UNITED STATES, September 7, 2017 /EINPresswire.com/ -- Image One Facility Solutions, a [commercial cleaning franchise](#) with nearly 100 locations across Chicago and in other markets around the U.S., has moved locations, bringing all of its support staff under one roof in the Chicago suburb of Rolling Meadows, Illinois.

The new office, which opened its doors to franchise owners, clients and the public on August 18, is a short distance from the brand's former location in Wood Dale. It is a larger, singular office that allows the brand to bring together various departments in the same space and also provides an open environment for franchise owners to work, gather and train employees.

“

This new office creates an even more integrated operations center to benefit customers and franchise owners.”

“Before moving into this new location, we had been operating several mini-offices, with the telecommunications team in one space, the accounting team in another and so on. It was not necessarily as efficient as we would have liked,” said Image One President and Co-Founder Tim Conn. “This new office allows our entire corporate support team to all be in the same place at the same time, maximizing efficiency and creating an even more integrated operations center to benefit customers and franchise owners.”

The new office opening comes at the same time the brand unveils a newly improved corporate website. A modern design, the new user-friendly website offers more resources for customers seeking a commercial cleaning company along with a franchise opportunity resource center with a wealth of information about opening a commercial cleaning business.
