

Get Set Resumes rebrands, launches industry first services

Get Set Resumes - a professional Career Services firm based out of India has rebranded, and launched industry first services.

NOIDA, UP, INDIA, September 8, 2017 /EINPresswire.com/ -- Noida, NCR: Get Set Resumes (getsetResumes.com), a Noida based customized professional document writing company specializing in resumes, launched its new corporate identity with a brand new website on Monday. Get Set Resumes, or GSR, as it's addressed, also launched a first-time

in the world product called Resume VCards and another service by the name Recruiter-On-Demand.

Through Resume VCards, the company aims to replace the bulky A4 sized resumes with small and equally effective Visiting Card sized resumes which can be carried in your pocket or wallet. Says Rajat, the company's founder, "A4 sheets are passé. Nobody has the time and attention span to go through so much of information. Besides, you cannot carry your resume to every networking event. A wallet sized resume can be carried in numbers of 10, even 100 and given to any prospective employer over a drink!"

Recruiter-On-Demand (RoD) is another useful service which is first time in the industry, at least in India. Through RoD, the company will assist jobseekers in managing their numerous Job Portal profiles. "As lives get busy, it becomes very difficult for job-seekers to manage so many portals and apply for jobs everywhere. Moreover, the number of job portals is increasing and many new fresh job portals are coming up, which companies are choosing over the traditional ones. Then there also is LinkedIn with jobs.", says Rajat. With RoD, a Recruiter will manage the job seekers' various job portal applications and apply for jobs whenever she finds one. A report will also be submitted to the client. "Currently, we are piloting this", he adds.

With 20,000+ clients from over 30 countries, Get Set Resumes already has built a small but strong brand name for itself in this segment. With the launch of a new corporate identity and 2 new exciting services, Get Set Resumes is in the race of becoming one of the leading companies in this space in India.
