

# BoardBookit Launches Presentation Mode

*Significant Aid for Improved Board Meeting Efficiency*

PITTSBURGH, PA, UNITED STATES, September 8, 2017 /EINPresswire.com/ -- [BoardBookit](#) Inc. announced today that it has released its newest meeting productivity tool, Presentation Mode. Presentation Mode is designed to allow meeting presenters the ability to share meeting materials across devices and to easily transfer and/or share presenter duties throughout a meeting. BoardBookit's Presentation Mode extends BoardBookit's native capabilities to enhance meeting presentations and further enable board directors.

BoardBookit Board Portal Software

“BoardBookit recognized that beyond providing a secure and easily accessible way for board members to access important documents, we could further improve board engagement by

“

BoardBookit recognized that we could further improve board engagement by streamlining the board meeting process itself.”

*Marion Lewis, CEO*

streamlining the board meeting process itself,” says BoardBookit CEO, Marion Lewis. “Presentation Mode is one more feature in BoardBookit that allows board members to focus on providing valuable guidance and companies to focus on effective communication.”

Up until now, BoardBookit has been a leading mobile provider of board solutions with applications across iPad, iPhone, Android, and web allowing board members to quickly access materials and engage in a meaningful way. Now BoardBookit

is leading the way for meeting efficiency with Presentation Mode. Chief Executive Officer's, Chairpersons, and other presenters will no longer have to wait for everyone to be on the same page. With Presentation Mode, everyone will be synced to the same place.

## About BoardBookit

BoardBookit is the board portal solution that perfectly blends security, functionality, optimal user experience and affordability. Fast, intuitive, and flexible, BoardBookit gives companies the control they require and support when they need it. Designed with input from corporate secretaries, administrators and board members to enhance board engagement, effectiveness and governance, BoardBookit is used by companies across the United States, Canada, Europe and Australia.
