

RyTech, LLC Opens East Coast Office and Names Key Team Addition

RyTech names Chase Keegan as Director of Business Development.

BETHESDA, MARYLAND, UNITED STATES , September 11, 2017 /EINPresswire.com/ -- RyTech, LLC, a [digital marketing company](#) headquartered in suburban Chicago, announces the September 2017 opening of a new office in the metro Washington, DC area. RyTech helps businesses grow by expanding their reach online with website development, search engine optimization, social media management, and more.

The firm currently partners with clients in Maryland, Virginia, Washington DC, North Carolina, and Georgia, with new client acquisition strategies across the Atlantic Coast. The company's third office addition comes one year after the company's expansion into the Milwaukee market.

"RyTech is committed to continuing to elevate our client experience, new client acquisition, and develop relationships within our communities," said RyTech Founder and CEO Steve Ryan. "While we have been evaluating a new market for quite some time, the DC area business community spoke for itself in our expansion plans. RyTech plans to capitalize on our established client relationships and bring our brand to new partnerships as well."

As part of this expansion, RyTech is pleased to name [Chase Keegan](#) as Director of Business Development. In this role, Keegan is responsible for maintaining and procuring client relationships, generating additional brand reputation for RyTech on the East Coast, and showcasing our firm's commitment to the community.

"With her previous experience in brand development, customer relationship management, and generating revenue in Washington, DC, Chase is a natural choice to lead our firm's business development initiatives on the East Coast," said Steve Ryan.

Founded in 2012, RyTech was established to fill an unmet need in an expanding market. RyTech offers a [comprehensive digital marketing](#) solution integrating SEO, website development, social media, email marketing, text message marketing, graphic design and content creation. RyTech provides a progressive set of services that assist the variety of businesses with whom they work, including: healthcare, restaurants, venture capitalist firms, real estate professionals and brokerages, law firms, non-profits, entrepreneurs and more.
