

# India GRE Pipes Market 2017 Analysis By Volume, Value, Growth, End User, Share, Opportunities and Forecast by 2022

WiseGuyReports.com adds “GRE Pipes Market 2017 India Analysis, Growth, Trends and Opportunities Research Report Forecasting to 2022” reports to its database.

PUNE, INDIA, September 12, 2017  
/EINPresswire.com/ -- [Glass Reinforced Epoxy \(GRE\) Pipes Market](#):

## Executive Summary

A comprehensive research report created through extensive primary research (inputs from industry experts, companies, stakeholders) and secondary research, the report aims to present the analysis of [India GRE Pipes Market](#) By End User (Oil & Gas, Industrial, Water and Wastewater, Irrigation, Others) - An Analysis By Volume, By Value: Opportunities and Forecast (2012-2022).

The sector is primarily driven by development and reforms pertaining to the exploration and production of oil and gas coupled with rising replacement of old pipes with the GRE pipes.

Moreover, the expansion of pipeline network across various sectors have been leading to a rise in the volume of GRE pipes which in turn has been fuelling the growth in the market of GRE pipes in India.

Additionally, superior mechanical properties and advantages such as corrosion resistance, high longevity, low installation and maintenance cost provide GRE pipes an edge over other alternatives.

According to Analytics research report, “India GRE Pipes Market By End User (Oil & Gas, Industrial, Water and Wastewater, Irrigation, Others) - An Analysis By Volume, By Value: Opportunities and Forecast (2012-2022)”, the Indian market is projected to display a vigorous growth represented by a CAGR of over 6.72% during 2017 – 2022, primarily driven by surging investments in the oil and gas sector, stable economic reforms, increasing awareness about the benefits, nascent sectors moving towards the installations of GRE pipes are some of the leading factors that are expected to propel growth of GRE pipe market in future.

The report titled, “India GRE Pipes Market By End User (Oil & Gas, Industrial, Water and Wastewater, Irrigation, Others) - An Analysis By Volume, By Value: Opportunities and Forecast (2012-2022)” has

covered and analysed the potential of India Glass Reinforced Epoxy Pipe and provides statistics and information on market size, shares and growth factors. The report intends to provide cutting-edge market intelligence and help decision makers take sound investment evaluation. Besides, the report also identifies and analyses the emerging trends along with major drivers, challenges and opportunities in the India Glass Reinforced Epoxy Pipe Market. Additionally, the report also highlights market entry strategies for various companies across the globe.

## Scope of the Report

India Glass Reinforced Epoxy Pipe Market, By Value, By Volume (Actual Period: 2012-2016, Forecast Period: 2017-2022)

Glass Reinforced Epoxy Pipe Market, By Value

Glass Reinforced Epoxy Pipe Market, By Volume

Breakdown By End User Industry - Oil & Gas, Industrial, Water/Waste water, Irrigation, Others

Other Report Highlights

Market Dynamics – Drivers and Challenges

Market Trends

SWOT Analysis

Porter's Five Force Analysis

Competitive Landscape

- Pricing Analysis

- Trade Analysis- Import/Export

- Major Proposed Pipeline & Industrial Projects

Policy and Regulatory Landscape

Taxation Policy

Company Analysis

- Amiantit

- Graphite India Limited

- Kemrock Industries

- Future Pipe Industry

- EPP Composites Pvt. Ltd.

Customization of the Report

The report could be customized according to the client's specific research requirements. No additional cost will be required to pay for limited additional research.

## Table of Content:

Introduction

India GRE Pipes Market: Growth and Forecast

India GRE Pipes Market: By End User Industry (Oil& Gas, Industrial Sector, Irrigation Sector, Water/waste water, Others)

India GRE Pipes Market: Oil and Gas Sector 5. India GRE Pipes Market: Industrial Sector

India GRE Pipes Market: Water and Waste Water Sector

India GRE Pipes Market: Irrigation Sector

India GRE Pipes Market: Other End Use Sector

Pricing Analysis

Trade Analysis

Major Upcoming Projects

Porter's Five Forces Model

SWOT Analysis

Market Dynamics

Policy and Regulatory Landscape

Taxation Policy

Company Analysis

17.1. Amiantit

17.2. Graphite India Ltd.

17.3. Kemrock Industries

17.4. Future Pipe Industry

17.5. EPP CompositesList of Figures
