EA Sports-Sanctioned Madden 18 Xbox One Open at “thE Arena” in Las Vegas

LAS VEGAS, NEVADA, UNITED STATES, September 13, 2017 /EINPresswire.com/ -- LAS VEGAS, NEVADA - [Millennial Esports Corporation](#) (TSX VENTURE: GAME) is proud to partner with [EA Sports](#) once again and run a sanctioned [Madden 18 MCS Challenger tournament](#) on the West Coast with a \$10,000 prize pool. The open tournament, to be played on the Xbox One and streamed live at www.twitch.tv/millennialesports, will be held inside Millennial Esports’ 15,000 square-foot Downtown Las Vegas Esports arena on September 23-24, 2017.

After an initial rush for registration, Millennial Esports extended the early bird entry fee of \$100 until Sunday September 10th. Although early bird pricing is now closed, limited spaces still remain for the \$10,000 Madden 18 Xbox One Open at the original rate of \$125. Any remaining entry spots will be available for \$150 at the door.

“Everyone else is doing a \$5k tourney, but we wanted a bigger prize pool to appeal to more players,” said Millennial Esports Chief Technology Officer, Adam Morrison. “We had a blast working with EA at our first sanctioned West Coast Madden tourney in March and we were thrilled to see such a strong early interest in registering for this tournament, nearly 200% more registrations so far.”

The winner of the Madden 18 Xbox One Open advances to the Madden Classic, which has a minimum prize of \$7,500. MCS points will be awarded to all 128 players, qualifying each gamer for a chance to win a share of \$1.153 million dollars, the highest prize pool to date. With open registration, all amateur and aspiring professional Madden players worldwide, age 16 and above, may enter for a shot at the \$10,000 guaranteed prize pool.
