

Texas Mesothelioma Victims Center Now Urges a Navy Veteran in Texas with Mesothelioma to Call Them for Instant Access to The Nation's Most Skilled Lawyers for Better Compensation

NEW YORK, NEW YORK, USA, October 3, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- The Texas Mesothelioma Victims Center is urging a US Navy Veteran or person who has just been diagnosed with mesothelioma anywhere in Texas or their family members to call them anytime at 800-714-0303 for direct access to some of the nation's most skilled, capable and experienced mesothelioma attorneys-that are also Texas based. As the group would like to explain anytime-there is a direct relationship between the best possible mesothelioma compensation settlement and having the nation's most skilled and experienced mesothelioma attorneys working on the compensation claim. <http://Texas.MesotheliomaVictimsCenter.Com>

The Texas Mesothelioma Victims Center says, "Our number one goal is to make certain a person with mesothelioma in Texas has the best possible legal team assembled to ensure they receive the very best possible financial compensation for this rare cancer caused by asbestos exposure. The team we recommend includes some of the very best mesothelioma attorneys in the nation who not only excel at getting the best financial compensation for they clients-as importantly they will go out of their way to carefully guide the family through this very difficult time.

“

Before a diagnosed person in Texas hires a lawyer/law firm to assist with a mesothelioma compensation claim we are urging them to call us first”
Texas Mesothelioma Victims Center

“The reason we are urging a US Navy Veteran in anywhere in Texas who has recently been diagnosed with mesothelioma to call us anytime at 800-714-0303 is because their compensation claim and or if need be a lawsuit may not happen in Texas. For a US Navy Veteran, the claim for mesothelioma compensation could originate in the state

where the Navy Veteran was exposed to asbestos-probably not Texas.

“If we had one incredibly vital tip for a US Navy Veteran or person in Texas with confirmed mesothelioma it would be please call us at 800-714-0303 so at a minimum we can arrange for them to talk to some of the nation’s most skilled and experienced mesothelioma attorneys-so they have a very good idea of what will be involved in a mesothelioma compensation claim and or how the compensation process works. Before a diagnosed person in Texas hires a lawyer/law firm to assist with a mesothelioma compensation claim we are urging them to call us first if for no other reason than peace of mind in knowing they really do have on the spot access to the nation’s very best mesothelioma attorneys.”

For the best possible mesothelioma treatment options in Texas the Texas Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at one of these hospitals:

* MD Anderson Cancer Center Houston Texas: <https://www.mdanderson.org/>.

* Baylor Saint Luke’s Medical Center Cancer Center Houston, Texas: <https://www.bcm.edu/healthcare/care-centers/lung-institute>

* Dallas Methodist Hospital Dallas, Texas: <http://www.methodisthealthsystem.org/lungcancer>

The Texas Mesothelioma Victims Center also wants to emphasize their unsurpassed free services are available to a diagnosed victim of mesothelioma statewide including cities such as Houston, Dallas, San Antonio, Austin, El Paso, Fort Worth, Corpus Christi, Plano, Laredo, Arlington, etc. <http://Texas.MesotheliomaVictimsCenter.Com>

High-risk work groups for exposure to asbestos in Texas include Veterans of the US Navy, power plant workers, oil refinery workers, oil rig workers, chemical plant workers, factory workers, plumbers, electricians, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, because Texas is one of the nation's largest energy producing states mesothelioma does happen to very good people in Texas.

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <http://www.nlm.nih.gov/medlineplus/mesothelioma.html>
