

MILLENNIUM SYSTEMS INTERNATIONAL PARTNERS WITH TIE NATIONAL

A partnership that will assist Millennium customers with cost-effective technology solutions.

PARSIPPANY, NEW JERSEY, UNITED STATES, September 15, 2017 /EINPresswire.com/ --

Millennium Systems International is excited to announce its partnership with Tie National; a relationship fostered to further serve Millennium clients in need of IT support. With a nationwide reach, Tie National provides trusted and cost-effective on-site assistance, network solutions, and much more.

Together we will be able to bring a superior experience to the Health and Beauty industry, allowing Millennium users to focus on growing their business and rather than technical issues. ”

Michael R. Durante, President of Tie National, LLC.

In a technology-dependent world, IT assistance is more important than ever. Consistent with Millennium S. I.'s mission, Tie National supports the growing needs of businesses of all sizes. The company provides top-quality information technology solutions and IT outsourcing services for installation, management, and maintenance of telecom, data, and technologies. “This is a natural partnership for Tie National. To find a company that holds the same dedication to

customer service and client experience as we have is rare. Millennium is a wonderful company to work with and our new partnership will allow us to bring an even better experience to the field,” says Michael R. Durante, President of Tie National, LLC.
