

FYISOFT NOW HAS 8,500 USERS USING THEIR LEADING CLOUD FINANCIAL REPORTING SOFTWARE

FYIsoft now has 8,500 users using their leading cloud financial reporting software.

NAPLES, FL, USA, September 18, 2017 /EINPresswire.com/ -- [FYIsoft](#) now has 8,500 users using their leading [cloud financial reporting software](#). FYIsoft provides all the benefits of the cloud without compromising the security of core financial data.

With FYIsoft, accounting professionals can expect:

- Faster period close, allowing more time for analysis
- Easier consolidations, even for complex multi-company entities
- Streamlined, accurate report distributions, automatically formatted each time
- Secure, 24/7 access to transactional data, from any location or device with an internet connection

FYIsoft's software is cloud- and component-based, specifically designed for accounting. The easy-to-use, cloud-based solutions simplify even the most complex financial reporting demands by automating manual processes and enabling users to get the right information to the right people. FYIsoft is currently deployed around the globe, reaching 8,500 users and counting.

Current solutions include software tailored to financial reporting, management reporting, financial consolidation, close management and reconciliation, and report distribution. [Contact FYIsoft for](#) additional information, or to request a demo.
