revival of the quintessentially British compact mirror.

This accessory of the day returns with indulgence, and is defined by an intense care for both functional and aesthetic detail.

Their unmatched solid brass case is plated in gold, and demonstrates build quality seen only in an era gone by. Each lid is host to a beautiful work of art.

In a disposable culture, appreciation for built-to-last products is greater than ever before. Their powder compact compliments the increasing use of mineral powder, whilst the dual mirror compact serves all in the tireless pursuit for beauty on the go.

Promising outstanding service with no modern-day compromises, and products that feel special in hand, Charles Mallory is set to become the last word in luxury accessories and collectables of the future.
