

Agricultural Workers Mutual Insurance Company Wins ValChoice Award for “Best Overall Value” in Texas and Arkansas

Award Recognizes AgWorkers as One of the Best Insurers for Service, Claims Handling and Value

FORT WORTH, TX, UNITED STATES, September 19, 2017 /EINPresswire.com/ -- Agricultural Workers Mutual Insurance Company announced today that it has won the prestigious [ValChoice](#)® award for Best Overall Value for car insurance in the states of Arkansas and Texas for the year 2016.

To win this award, [AgWorkers](#) provided customers with a combination of excellent customer service, claims handling and value in the car insurance products they sold over a three-year period.

“AgWorkers was founded on the principles of providing best-in-class service, protection and value for our policyholders,” said Marcus Hill, president and CEO of AgWorkers. “I’m proud of our employees for their commitment and dedication to these founding principles.”

ValChoice awards recognize the best insurance companies, state-by-state. The company’s data analytics engine is the first to let consumers know which insurance companies offer the best claims handling, service and value.

“I founded ValChoice to bring transparency to the insurance industry and help consumers find the protection and value they deserve from the insurance they must buy,” said Dan Karr, Founder and CEO of ValChoice. “It’s great to see AgWorkers, a local Texas company, achieving such excellence in service, claims handling and value. The level of excellence AgWorkers has achieved is something in which both the company and the communities they serve can take great pride.”

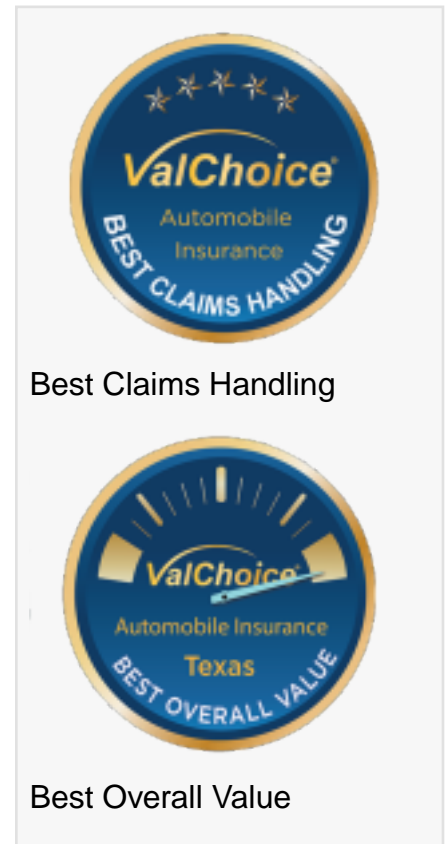

“

AgWorkers was founded on the principles of providing best-in-class service, protection and value for our policyholders.”

Marcus Hill, AgWorkers president and CEO

Since 1948, Agricultural Workers Mutual Auto Insurance Company has provided an economical solution to the insurance needs of the agricultural community. As a mutual insurance company, AgWorkers has paid dividends to its policyholders every year since its organization. During the last 69 years, the company has become licensed in other states, added lines of insurance and expanded its operations to provide additional services to its members.

ValChoice is the only company that provides consumers, agents and advisers with information about which home and auto insurance companies offer the best value. The company’s analytics platform

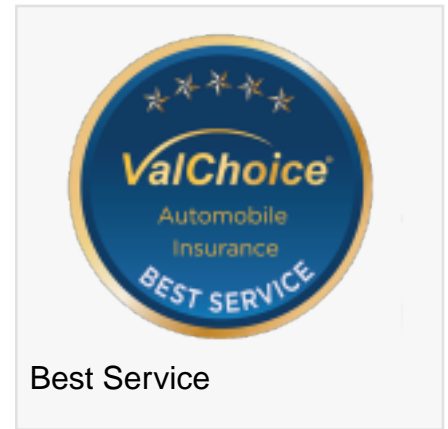

Best Claims Handling

Best Overall Value

collects and analyzes millions of financial and complaint data points and delivers the results in an easy-to-use service that [Forbes](#) Magazine first mentioned in a 2014 article. Using ValChoice, consumers can shop for insurance based on value rather than make decisions purely based on price or advertising campaigns.
