

Arecont Vision To Receive Four New Product of the Year Awards for Megapixel Cameras

Arecont Vision has been recognized with 4 New Product of the Year Awards for the best video surveillance camera solutions, and will receive them at ASIS 2017.

LOS ANGELES, CALIFORNIA, USA, September 19, 2017 /EINPresswire.com/ -- Arecont Vision®, the industry leader in IP-based megapixel camera technology, has been recognized with four New Product of the Year Awards for megapixel cameras. The awards recognize the best solutions and products available across the security industry, and are sponsored by Security Today magazine.

Arecont Vision Camera Families Receive New Product of the Year Awards

Arecont Vision received more awards than any other vendor in the 2017 competition, and was the sole winner in each category in which the company's products were entered. Over 100 industry products were in the running across multiple award categories.

“

Arecont Vision changed the surveillance industry as an early pioneer in both megapixel and multi-sensor camera technology, and we maintain that leadership today.”

*Jeff Whitney, VP Marketing,
Arecont Vision*

“We are extremely pleased to have so many of our newest megapixel camera series be recognized for the industry-leading designs and technology that will further benefit our customers around the world,” said Jeff Whitney, Vice President, Marketing, Arecont Vision. “Arecont Vision changed the surveillance industry as an early pioneer in both megapixel and multi-sensor camera technology, and we maintain that leadership today. Our cameras continue to bring advanced features and outstanding image quality, while delivering unmatched cybersecurity protection, product

upgradability, proven reliability, and high customer satisfaction.”

Arecont Vision cameras awarded in the 2017 competition are:

- Cameras – IP Multi-Sensor Panoramic:
SurroundVideo® G5 Mini Panoramic Camera (180o and 360o models)

- Cameras – IP Multi-Sensor Megapixel:
SurroundVideo® Omni G3 Omnidirectional/Adjustable View Camera

- Video Surveillance Cameras – HD:

MegaVideo® 4K Compact Ultra-High-Resolution Camera

- Video Surveillance Cameras – IP:

MicroBullet® Compact Megapixel Bullet Camera with Integrated IR

“The New Product of the Year contest gives us a terrific sampling of security solutions, but what is more amazing each year is the technical savvy that comes along with new products,” said Ralph C. Jensen, Editor in Chief of Security Today magazine. “Our juried judges must be able to understand technology and innovation to stay on top of the security solutions that will blend into the platforms in use today, and what will be expected of them tomorrow. Our New Product of the Year contest allows forward-thinking manufacturers to share their vision of security.”

Security Today will present Arecont Vision and the other industry winners with their awards at the ASIS International 2017 conference, to be held Monday, September 25 through Thursday, September 28 at the Kay Bailey Hutchison Convention Center, Dallas, Texas.

Visit booth 3221 during the ASIS expo on Tuesday, September 26 through Thursday, September 28, 2017 to see the newest Arecont Vision award winners and our comprehensive range of US designed and built camera families.

To pre-schedule a meeting with the Arecont Vision team, please call +1.818.937.0700, or email your request to sales@arecontvision.com.
