Market driver

- Increasing product premiumization

Market challenge

- Increasing cost of raw materials

Market trend

- Growing online retail of smart connected residential water heaters

Key questions answered in this report

What will the market size be in 2021 and what will the growth rate be?

What are the key market trends?

What is driving this market?

What are the challenges to market growth?

Who are the key vendors in this market space?

What are the market opportunities and threats faced by the key vendors?

What are the strengths and weaknesses of the key vendors?

Companies Mentioned:

A.O.Smith, Rheem Manufacturing, Robert Bosch, Haier, Midea Group, Rinnai, and Whirlpool.

Table of Contents

PART 01: Executive summary

PART 02: Scope of the report

PART 03: Research Methodology

PART 04: Introduction

Global residential water heater market

PART 05: Market landscape

Global smart connected residential water heater market

Five forces analysis

PART 06: Market segmentation by technology

Global smart connected residential water heater market by technology

Global Wi-Fi-enabled smart connected residential water heater market

Global market for other smart connected residential water heaters

PART 07: Market segmentation by distribution channel

Global smart connected residential water heater market by distribution channel

Global smart connected residential water heater market by offline distribution channel

Global smart connected residential water heater market by online distribution channel

PART 08: Geographical segmentation

Global smart connected residential water heater market by geography

Smart connected residential water heater market in North America

Smart connected residential water heater market in Europe

Smart connected residential water heater market in APAC

Smart connected residential water heater market in ROW

PART 09: Key leading countries

Key leading countries

US

Germany

UK

PART 10: Decision framework

PART 11: Drivers and challenges

Market drivers

Market challenges

PART 12: Market trends

Growing online retail of smart connected residential water heaters

Increasing emergence of hybrid water heaters

Increasing integration with IoT

PART 13: Vendor landscape

Competitive scenario

Competitive strategies

PART 14: Key vendor analysis

A.O. Smith

Rheem Manufacturing

Robert Bosch

Other prominent vendors

PART 15: Appendix

About Us: □

[Orbis Research](#) is a single point aid for all your Market research requirements. We have vast database of reports from the leading publishers and authors across the globe. We specialize in delivering customised reports as per the requirements of our clients. We have complete information about our publishers and hence are sure about the accuracy of the industries and verticals of their specialisation. This helps our clients to map their needs and we produce the perfect required Market research study for our clients.
