Five forces analysis

PART 05: Market segmentation by product

Global industrial robots power supply systems market by inverter power sources

Global industrial robots power supply systems market by batteries and accessories

Global industrial robots power supply systems market by others

PART 06: Geographical segmentation

Industrial robots power supply systems market in APAC

Industrial robots power supply systems market in Americas

Industrial robots power supply systems market in EMEA

PART 07: Decision framework

PART 08: Drivers and challenges

Market drivers

Market challenges

PART 09: Market trends

Emergence of co-bots

Use of welding robots in automotive industries

Improvement in services provided by vendors

PART 10: Vendor landscape

Competitive scenario
