## Scope

The report analyses air quality control system market. Its scope includes –

- Analysis of the growth of air quality control system market with a focus on market value and volume in global and regional level including Asia-Pacific, Americas, Europe, and Middle East and Africa.
- The report provides air quality control system market analysis for key countries including the US, Chile, China, India, Vietnam, Republic of Korea, Germany, the UK, Saudi Arabia, and Poland.
- The report offers country level air quality control system market value and volume for the historical (2010-2015) and forecast (2016-2020) periods.
- The report also analysis each country by air quality control equipment such as Flue Gas Desulfurization (FGD), Selective Catalytic Reduction (SCR), and Fabric Filter (FF).
- It provides competitive landscape at country level up to 2015.
- Annual shipment capacity additions, average equipment prices, key market drivers and

Air Quality Control System

restraints, emission regulations, and analysis of their impact in air quality control system market are also discussed.

### Key points to buy

The report will enhance your decision making capability in a more rapid and time sensitive manner. It will allow you to -

- Facilitate decision-making by analyzing historical and forecast data on air quality control system market
- Develop strategies based on developments in air quality control system market
- Identify key partners and business-development avenues, based on an understanding of the movements of the major competitors in the air quality control system market
- Respond to your competitors' business structure, strategies and prospects

### Table of Contents

- 1 Table of Contents
- 2 Executive Summary
- 3 Introduction
- 4 AQCS Market, Global
- 5 AQCS Market, Americas
- 6 AQCS Market, Asia-Pacific
- 7 AQCS Market, Europe, Middle East and Africa (EMEA)
- 8 Appendix
