Author Shares Water Wisdom: An Adventure Novel Expressed Through Narrative, Prose and Poetry

LEXINGTON, MA, UNITED STATES, September 20, 2017 /EINPresswire.com/ -- Life is a journey. If vigilant one can find great wisdom along the path. Yet, there are many many different paths. Some choose a path which has been well trodden, following rules and the ever restrictive social guidelines, while others search for and find a less traveled trail, a trail of growth, light and awakening.

[Robert H. Wellington](#) pens [Water Wisdom](#), a novel of adventure and beauty that combines nature and the outdoors with the mysteries of life and the consciousness that encompasses it all. Through a seamless combination of narrative, prose and poetry the reader is transported to a world few see, although right in front of each of us.

Hall, having just finished college has an unexplained mystical experience, which compels him to escape alone in nature. *Water Wisdom* is the story of his solo journey through the unspoiled waterways of the Canadian North Woods. The journey refreshes him; body, mind and spirit. But he comes home with something more, something intangible, a rare and precious gift.

The author, Robert H Wellington is a lover of Spirit in all its infinite forms, from family and friendships to escaping in nature. He is a husband, father, grandfather, and retired businessman. He finds great peace in the outdoors and has participated in and/or led many canoe trips through Canada's unspoiled wilderness. It is from these trips that he draws the inspiration for *Water Wisdom*.

This book discloses the author's passion, while enabling its readers to see, and in a very real way participate in the reality. The reader is invited to join Hall on his journey of discovery with the hope that they too will find their own gift, a pearl of great price.
