

Bringing global agriculture thought leaders at Agriconference 2017

HYDERABAD , TELANGANA, INDIA ,
September 20, 2017 /EINPresswire.com/ --
International Conference & Expo on Agriculture &
Veterinary Sciences:Research and Technology is
scheduled to be held from 23 to 25 October
2017, Hyderabad, India. [Agriconference](#) 2017
organized by Cenetri Publishing Group will be the
best amalgamation of eminent researchers,
students and delegates from both academia and
industry where you collaborator to have
interactive access to emerging technology and
approaches globally.

Speaking on the occasion of Curtain Raiser,
Chairman of the Conference Dr. Devi Prasad
Juvvadi said "It is first of its kind conference on
Agriculture and Veterinary sciences that focuses
on fostering innovation and thought leadership in
this field. Just to help you understand the
magnitude - we have received over 1000+
research papers across 13+ countries and top
400 of them have been accepted. The focus is to
have International scientific panel discussions on
agriculture, to bring together bright minds to give
talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder
– and provoke conversations that matter which robust agriculture demands with attractive
opportunities leading to competitive advantages."

“

It is first of its kind conference
on Agriculture and Veterinary
sciences that focuses on
fostering innovation and
thought leadership in this
field.”

Dr. Devi Prasad Juvvadi

Several national institutes involved in agriculture such as
Indian Institute of Rice Research (IIRR), Indian Institute of
Millets Research (IIMR), National Academy of Agricultural
Research and Management (NAARM), MANAGE, Centre for
Good Governance (CGG) etc are acting as knowledge
partners to the conference.

Several international luminaries in agriculture and Veterinary
Sciences have confirmed their participation, Prof.Devi
Prasad, said.
