Roselle, IL. -July 1st 2017-1212 Group, LLC announced that it has acquired North Branch Environmental, a transportation and liquid disposal company. The purchase will serve the needs of industrial, commercial and residential customers in Illinois as well as surrounding states.

“

Our acquisition of North Branch Environmental complements our overall commerce offering so we can now provide multiple transportation and disposal options to all business in the Midwest.”

Ed Deichmiller

“Our acquisition of North Branch Environmental complements our overall commerce offering so we can now provide multiple transportation and disposal options to all business. This investment represents an important strategic opportunity to offer disposal options, consulting and cost savings for manufacturing, petroleum services, industrial clients, food manufacturers and a variety of other operations in and around the Midwest,” said Ed Deichmiller, Co-Owner/COO of 1212 Group, LLC d/b/a North Branch Environmental. “

About North Branch Environmental

North Branch Environmental began operation in 1976 by founder John Van Hoesen Sr. Located in the Schaumburg/ Roselle area since 1984. The Company is comprised of highly skilled, experienced, and licensed professionals. North Branch Environmental specializes in waster transportation and disposal services in a wide variety of waste streams. The majority of the workforce has been employed for over 15 years and pride themselves on the ability to provide excellent service.

North Branch Environmental provides services including pumping waste waters, waste coolants, drums, organic waste, non-hazardous and hazardous liquids from various facilities and locations. North Branch Environmental only disposes at facilities that are licensed and insured.

North Branch Environmental is federally and state licensed for waste hauling operations of non-hazardous and hazardous materials in Illinois, Wisconsin, Indiana, Iowa, Michigan, and Kentucky. Drivers are Hazmat endorsed with spotless safety records.
