

Ethica Solutions Safeguarding Training Programmes Now Available on Skills Platform

Ethica Solutions has joined forces with Skills Platform to deliver safeguarding and investigations training programmes to UK healthcare practitioners.

GUILDFORD, SURREY, UK, September 21, 2017 /EINPresswire.com/ -- Safeguarding and investigations company, [Ethica Solutions](#), is delighted to join forces with [Skills Platform](#), a not-for-profit partnership with Skills for Health and the National Skills Academy for Health, to deliver its training programmes to healthcare practitioners throughout the UK. Skills Platform helps healthcare workers find quality training and lists only accredited local and national providers.

Ethica

Solutions provides CPD Certification and [SFJ Awards](#) accredited child and adult safeguarding courses, investigation

and a comprehensive portfolio of 360° safeguarding support services to organisations and individuals across the healthcare sector. Its nationally recognised best-of-class training programmes are delivered by a highly-experienced team, led by Dr. Richard John, offering multi-agency disciplines and

comprising former police officers, child services, social and healthcare workers, teachers and educationalists who are all experts in the field of safeguarding and trained in the management and handling of sensitive safeguarding and investigation matters.

“

Ethica Solutions' accredited safeguarding training is delivered by experts and is designed to help professionals and communities to prevent, detect and report neglect and abuse, and be accountable.”

Dr. Richard John, Director of Training, Ethica Solutions

to-face courses offer a high level of skills transfer and interactivity that provides practitioners with the necessary skills, guidance and advice to support those in need.”

Ethica Solutions training for healthcare professionals

Ethica Solutions is a member of BASPCAN, the Association for Child Protection Professionals, the

Association of British Investigators, and hold Cyber Essentials accreditation. CPD points and certificates are offered to those successfully completing Ethica Solutions' training courses.
