

Louisiana Mesothelioma Victims Center Now Urges a Recently Diagnosed Person in Louisiana to Call Them for Instant Access to the Nation's Most Skilled Mesothelioma Compensation Lawyers

NEW YORK, NEW YORK, USA, October 9, 2017 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center says, "We are urging a person in Louisiana who has recently been diagnosed with mesothelioma or their family members to call us anytime at 800-714-0303 for on the spot access to some of the nation's most skilled and experienced mesothelioma lawyers. Believe it or not these leading mesothelioma attorneys will typically be eager to talk to a person in Louisiana who has this rare form of cancer caused by asbestos exposure. These lawyers should be considered to be in the who's who of mesothelioma attorneys in the United States and these attorneys get the best compensation results for their clients. Why settle for less when it comes to mesothelioma financial compensation?"

"As importantly the full-time mesothelioma lawyers we suggest will typically almost immediately travel to visit a diagnosed person in Louisiana so they can get the specifics on how or where they were exposed to asbestos."

- * The MD Anderson Cancer Center Houston, Texas: <https://www.mdanderson.org/>.

According to the CDC the average age for a diagnosed victim of mesothelioma is 72 years old. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is a rare form of cancer that is attributable to exposure to asbestos.

High-risk work groups for exposure to asbestos in Louisiana include Veterans of the US Navy, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, public utility workers, factory workers, plumbers, electricians, insulators, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

The Louisiana Mesothelioma Victims Center says, "If you call us at 800-714-0303, we will see to it that you have instant access to the nation's most skilled mesothelioma attorneys, who consistently get the best possible financial compensation results for their clients."
