Beverly Hills, CA – Power Producer Arthur Sarkissian, the mastermind behind the RUSH HOUR film franchise, is in preparations to make RUSH HOUR 4, and is also getting ready for his latest release THE FOREIGNER starring Jackie Chan and Peirce Brosnan. Which hits theatres October 13th in the U.S.

**ABOUT THE MOVIE:**

The Foreigner, A humble business man with a buried past

seeks justice when his daughter is killed in an act of terrorism. A cat-and-mouse conflict ensues with a government official, whose past may hold clues to the killer’s identity.

Sarkissian was the producer behind the film While you were sleeping which starred Sandra Bullock, and the MEGA hit film franchise RUSH HOUR 1 , 2 and 3. For his new film THE FOREIGNER, the studio wanted Jackie Chan, Arthur got the call, Arthur brought in A-list Director Martin Campbell and Jackie Chan signed on, a great example of how a movie can get made in Hollywood, calling in power producer ARTHUR SARKISSIAN.

The China Premiere of this film will be September 24th, 2017.

Arthur Sarkissian will be in China for the premier. Sarkissian says “I look forward to going back to China for the premiere next week, I have made many friends in China and love doing movie business there; working with STX studios is great, they leave you alone to do what you need to do and are extremely supportive of filmmakers.”

Sarkissian states “The role that Jackie plays is a straight dramatic role, which was a tough one to play and Jackie pulls it off beautifully.

Sarkissian says “Re-teaming with Jackie Chan was a real joy, I have worked with him for over 20 Years; I find Jackie to be a real pro who is one of the most prepared and committed actors with real charisma. The Foreigner is so different from anything Jackie has done to date, the depth with which Jackie plays this role will surprise movie goers as he is simply amazing. Fans do not realize how much Jackie pushes himself, and though at this point he’s amassed an enormous amount of success and popularity worldwide, he still seeks roles that is unlike anything he’s done

before.”

This is the first time Sarkissian has worked with Pierce Brosnan. Arthur loved working with Pierce, and mentioned that he is one of the nicest people he has ever met, and alongside Sean Connery, is the best James Bond ever. Martin Campbell is the film’s director, best known for directing Bond movies Goldeneye and Casino Royale. He also directed Edge of Darkness , The Mask of Zorro and The Legend of Zorro . Campbell is a A-List film director, Sarkissian says, “He’s one of the most professional directors out there. He’s also a great director for a producer to work with because he’s very collaborative, and he doesn’t have an arrogant bone in his body.” Arthur Sarkissian is giving selected interviews in advance of this film’s release
