The market is divided into the following segments based on geography:

- North America
- APAC
- Europe
- ROW

The Global Smart Connected Residential Water Heater Market 2017-2021, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- A.O.Smith
- Rheem Manufacturing
- Robert Bosch

Other prominent vendors

- Haier
- Midea Group
- Rinnai
- Whirlpool

Market driver

- Increasing product premiumization
- For a full, detailed list, view our report

Market challenge

- Increasing cost of raw materials
- For a full, detailed list, view our report

Market trend

- Growing online retail of smart connected residential water heaters
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2021 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?

Table of Contents -Major Key Points

PART 01: Executive summary

PART 02: Scope of the report

PART 03: Research Methodology

PART 04: Introduction

- Global residential water heater market

PART 05: Market landscape

- Global smart connected residential water heater market
- Five forces analysis

PART 06: Market segmentation by technology

- Global smart connected residential water heater market by technology
- Global Wi-Fi-enabled smart connected residential water heater market
- Global market for other smart connected residential water heaters

PART 07: Market segmentation by distribution channel

- Global smart connected residential water heater market by distribution channel
- Global smart connected residential water heater market by offline distribution channel
- Global smart connected residential water heater market by online distribution channel

PART 08: Geographical segmentation

- Global smart connected residential water heater market by geography
- Smart connected residential water heater market in North America
- Smart connected residential water heater market in Europe
- Smart connected residential water heater market in APAC
- Smart connected residential water heater market in ROW

PART 09: Key leading countries

- Key leading countries
- US
- Germany

- UK

PART 10: Decision framework

PART 11: Drivers and challenges

- Market drivers
- Market challenges

PART 12: Market trends

- Growing online retail of smart connected residential water heaters
- Increasing emergence of hybrid water heaters
- Increasing integration with IoT

PART 13: Vendor landscape

- Competitive scenario
- Competitive strategies

PART 14: Key vendor analysis

- A.O. Smith
- Rheem Manufacturing
- Robert Bosch
- Other prominent vendors
