

MHRMI Launches New OUR NAME IS MACEDONIA Campaign With Billboards Throughout Macedonia. END THE NAME NEGOTIATIONS NOW!

WHO GAVE YOU THE RIGHT TO NEGOTIATE MY NAME AND IDENTITY? MHRMI's OUR NAME IS MACEDONIA campaign demands an end to the racist, anti-Macedonian name negotiations.

TORONTO, CANADA, September 22, 2017 /EINPresswire.com/ -- Macedonian Human Rights Movement International has launched a new Our Name Is Macedonia campaign - demanding an immediate end to the racist, anti-Macedonian name negotiations - with billboards in Skopje, Bitola, Tetovo (see the pics below) and soon in additional cities throughout Macedonia, along with television & radio commercials, newspaper & online ads, press conferences and hundreds of thousands of flyers.

“

We call on those who support the most basic of human rights to join our call to end the anti-Macedonian name negotiations. NO other ethnic group would be forced to negotiate its name.”

repeats that current citizens and politicians of a country do not have the right to negotiate an age-old ethnicity.

As Nimetz told MHRMI, "Off the record, if I were Macedonian, I would NOT negotiate my name." Nimetz and the US State Department both told MHRMI President, Bill Nicholov, that there would be

„Ако јас бев Македонец, НЕМАШЕ да преговарам за името.“ - Метју Нимиц

„Не би имало никакви последици доколку Македонија ги прекине преговорите“ - Стејт Депармент на САД

absolutely NO consequences if Macedonia stopped negotiating its name and identity. Further, and despite their public statements, the US State Department said that there is no solution to the name dispute and the ONLY logical next step would be if Macedonia ENDS THE NEGOTIATIONS.

As MHRMI has repeatedly stated – the artificial name dispute is the overarching issue that is wreaking havoc in ALL aspects of life in Macedonia. Negotiating our name is precisely the reason that Macedonia is not in the EU and NATO. The reason that the West calls for Macedonia to change its name is BECAUSE Macedonia is negotiating its name. Our Name Is Macedonia. Our Identity Is Macedonian. END THE NAME NEGOTIATIONS NOW.
