

# HENGTONG ranked in 7th in the list of Top 100 Global Wire & Cable Producers by Integer

SHANGHAI, SHANGHAI, CHINA, September 23, 2017 /EINPresswire.com/ -- Integer Research released the list of 2017's Top 100 Global Wire & Cable Producers this September. [Hengtong](#) Optic-Electric (600487. SH), a global information and energy network service provider hold by Hengtong Group is the only one Chinese company to successfully squeeze into the top 10 again and honors its place in ranking 7th, improving from last year.

Integer Research, an independent provider of specialist market research and analysis across Wire & Cable industry, specially provides independently verified rankings of the 100 largest insulated wire & cable producers in the world based on revenues derived from insulated products year to year.

China shows a strong increase according to the data from Integer Research. This year there are 34 Chinese companies to honor their place in the Top 100 including Hengtong and the total revenue of these 34 companies has grown year-on-year despite that the global Top 100 has decreased 5%.
