

Phillipsburg Residents Can Find Affordable Dental Implants in Easton

Affordable dental implants in Easton are only a short drive away for residents of Phillipsburg, NJ

EASTON, PENNSYLVANIA, UNITED STATES, October 16, 2017 /EINPresswire.com/ -- Dental implants, one of the most successful solutions to missing teeth, have long been out of reach for many due to their high price. However, now Phillipsburg residents can find affordable, quality [dental implants in Easton](#) thanks to Affordable Dental Solutions (ADS).

While other dental offices may charge thousands, ADS has found a way to keep the cost of dental implants low and their quality high. Dental implants in Easton cost only \$2,000 and include both the abutment and crown.

"We're able to make special deals with dental manufacturers, which helps us keep costs low," explains Dr. Michelle Bernreuther, implants professional at ADS. "We perform hundreds of implants procedures per year, which has helped us keep efficiency high."

In addition to dental implants, ADS also offers both full and partial [dentures in Easton](#). Full dentures cost \$495/arch and partial dentures cost \$595/arch.

If patients are unsure as to which solution is best for their health and smile, the dedicated team at ADS is happy to help walk them through their options. Phillipsburg residents are encouraged to request an appointment: <http://eastonimplants.com/appointment.html>.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
