

Meals On Wheels Central Texas And Brakes To Go Join Forces To Help Homebound Older Adults

Brakes to Go Donates a Portion of Each Brake Service to Non-Profit

AUSTIN, TEXAS, UNITED STATES, September 26, 2017 /EINPresswire.com/ -- [Brakes to Go](#), Austin's mobile brake repair business, has partnered with [Meals on Wheels Central Texas](#) to nourish and enrich the lives of homebound older adults.

Under the partnership, Brakes to Go will donate \$1 from each brake service to Meals on Wheels Central Texas (MOWCTX) to support the non-profits' life-sustaining programs. This contribution is expected to raise approximately \$5,000 a year for MOWCTX, which translates into the purchase, preparation, and packaging of 2,000 nutritious meals.

In addition, Brakes to Go will offer MOWCTX a discount for repairing or replacing brakes on the non-profit's fleet of trucks and vans – a move that saves the charity money and reduces the number of out-of-service vehicles.

"Reliability and [convenience](#) are at the heart of our mobile brake service because we know dependable service is just as important to our customers as saving time and money. We are excited to offer our unique service to Meals on Wheels Central Texas so their mobile fleet, which is the heart of their organization, runs efficiently and effectively. Our mobile service model allows us to service their vehicles on-site and in a timely fashion so MOW's operations are never interrupted," said Brakes To Go Co-Founder Randall Huntsinger. "It's a privilege to partner with this organization, and to help support their growing need to serve 5,000+ Austinites daily."

"Brakes to Go and Meals on Wheels Central Texas both offer potentially life-saving services delivered right to your door," said Adam Hauser, MOWCTX President/CEO. "We are excited about this partnership which will help us keep up with the growing demand for our free programs."
