Description

WiseGuyReports.Com adds” Handbags Market in India 2015-2019 “Research To Its Database.

The handbags market in India was dominated by the purses and wallets segment. In terms of distribution, specialist retailers accounted for the largest share in the market in India. One of the main drivers of the handbags market in India is an increase in urbanization and rising income levels, which is influencing the demand for expensive and premium handbag brands and per-capita consumption by consumers.

Covered in this report

The Handbags market in India can be segmented into four: totes, shoulder bags, purses and wallets, satchels and saddles. The purses and wallets was the largest segment in terms of both revenue and volume, accounting for 34.8% and 35.4% share of the market.
