

Great Western Consortium Inc. Officially Opens Century International Talent Institution

HONG KONG, CHINA, September 28, 2017 /EINPresswire.com/ -- Great Western Consortium Inc. (GWC Inc.) Officially opens Century International Talent Institution (CITI) in Hong Kong to provide investor and entrepreneur with turnkey solutions to their financial literacy program needs. CITI financial education package helps students to achieve measurable improvement in their financial capabilities, while also making progress toward their overall financial goals. The institute achieve their training goals by providing 4 levels (basic, intermediate, advanced and professional) of financial literacy classes to educate and develop a creative and sophisticated financial professional.

CITI financial education package is built around four core pillars: personal, team, system and trend (PTST). These four pillars work together to make a lasting difference in the lives of students, their families, and their financial goals.

The institute unique PTST concept:

P: Personal - Work on individual networking and financial skill

T: Team - Duplicate and coach the knowledge to other members

S: System - Create passive income with a unique auto-system

T: Trend - Using Blue Ocean Strategy to predict the next trend

Over time many individuals have benefited from CITI financial education package. In general, the students will get the benefits as listed:

1. Becoming a networking specialist
2. Understanding the global renewable and luxury metal trend
3. Able to formulate a good reward and stable investment strategy
4. Able to build one's own unique passive income creation system
5. Have an everlasting platform to make passive income
6. Achieve financial freedom

CITI short term goal is to develop a reliable and practical financial literacy course to train interested individual at its Hong Kong office. As the training mature, CITI will prototype the institute model to all

other region in Greater China by establishing new training institute. Eventually CITI will aim to become an international financial training institution by opening oversea branches to train creative and sophisticated financial professional.
