

Qatar restructuring procurement, logistics and supply chain processes to meet the project demand

DOHA, QATAR, September 28, 2017 /EINPresswire.com/ -- IQPC is hosting the [Qatar Procurement, Supply Chain and Logistics for Construction conference](#) taking place from 3-4 December 2017 in Doha, Qatar. The forum will bring together senior representatives from ASTAD, Milaha, Sohar Port, Tekfen Construction, Hill International and more to address how to restructure procurement and logistical operations to overcome your current supply chain challenges.

Distinguished VIP speakers include:

- Ali Al Khalifa, Chief Executive Officer, ASTAD
- Mark Geilenkirchen, Chief Executive Officer, Sohar Port & Freezone Haytham Sadeq, General Manager, Seero Engineering Consulting LLC
- Umut Devrim Ersin, Procurement Manager, Tekfen Construction
- Ron Mckinnon, Associate Director, Gleeds Gulf Engineering Consultants
- Elias Aboujawdeh, Manager Freight, Milaha (Qatar Navigation)
- And many more...

The Qatar Procurement, Supply Chain and Logistics Conference provides an opportunity for the construction and infrastructure industry's key players to meet and discuss the latest developments in the industry including upcoming regulations, trade agreements and customs procedures that will impact procurement and supply chain functions in Qatar.

Find the full programme, speaker list and registration form at <http://bit.ly/2k4Vd3F>, or email enquiryqa@iqpc.com.
