

# We've launched Premium+ for trusted customers

LONDON, UNITED KINGDOM,  
September 30, 2017 /EINPresswire.com/

-- Today we're excited to announce the release of Premium+, a package designed to reward our most active & trusted customers. We know that for many of our event organisers your event schedules can fluctuate over the year, and sometimes our plans don't necessarily accommodate for those

changes. Premium+ is designed to give you pay-as-you-go flexibility on the top of your original package, meaning you don't need to purchase again each time or speak to one of our team.

## How Is It Set Up?

Once set up on an initial package your account manager can activate Premium+ on your account. At the end of your initial package, your cost-per-event rate is frozen, meaning you can submit at the same agreed rate and have them published automatically.

Your billing is then aggregated on to a simple weekly or monthly receipt, based on your payment terms.

If you'd like to activate our simpler Premium+ for your account, or if you'd like to speak with your account manager just get in touch with us at +44 207 323 0450, or at [support@evvnt.com](mailto:support@evvnt.com)!

Log in today and submit an event – <https://app.evvnt.com/login>

(We've also updated our t&c's to reflect this new extended ability of your packages – <http://blog.evvnt.com/legal>)
