*Do you have questions about GDPR?
Come along to our free event in
Birmingham and ask our experts!*

BIRMINGHAM, UK, September 29, 2017
/EINPresswire.com/ -- Data Protection:
Your Roadmap to Continuous
Compliance

Despite the uncertainty of Brexit, it is now clear that the UK will be affected by the upcoming GDPR as per the recently announced Data Protection Bill. With all the various regulatory requirements, compliance may seem daunting, but the reality is that compliance is far from unachievable. By following some

fundamental best practices, processes and procedures, while understanding where and why personal data is kept, you will be well on your way to complying with the Data Protection Bill.

Neupart invites you to a [breakfast meeting](#) on the 1st of November at the Lockside in Birmingham. We'll go through the GDPR, the Data Protection Bill, and our 7-step compliance framework that can help to achieve and maintain compliance. During the event there will also be ample opportunity to ask our [industry experts](#) questions, engage in an informative dialogue, and network with other professionals.
