

Microsoft Azure Breakfast Series – October 2017 Announcement

This month, we explain and demonstrate how to fulfill FedRAMP Continuous Monitoring requirements for Azure workloads.

LARGO, MARYLAND, USA, October 4, 2017 /EINPresswire.com/ -- [cFocus Software](http://cFocusSoftware.com) announces the October 2017 installment of our monthly event entitled 'Microsoft Azure Breakfast Series.'

In collaboration with The Microsoft Store Fashion Centre at Pentagon City, cFocus Software launched the Microsoft Azure Breakfast Series in May 2017 to provide an opportunity for networking and training over breakfast to individuals interested in Microsoft Azure.

Join us for the October 2017 Microsoft Azure Breakfast Series!

The details of the October 2017 event are as follows:

Date & Time: October 19, 2017 8:30 am – 9:30 am

Location: The Microsoft Store at the Fashion Centre at Pentagon City

Event Title: Azure Continuous Monitoring for FedRAMP

Event Description: Azure has several services that fulfill FedRAMP continuous monitoring requirements. Join us this month as we explain and demonstrate how to fulfill FedRAMP continuous monitoring requirements for Azure workloads.

You can register for this event here: <https://msevents.microsoft.com/CUI/EventDetail.aspx?culture=en-US&EventID=1032935794>

Come learn about Microsoft Azure and have breakfast with us!
