

GWT Wins Technology Award

KELOWNA, BRITISH COLUMBIA, CANADA, October 2, 2017 /EINPresswire.com/ -- Press Release #201720 FOR IMMEDIATE RELEASE October 2, 2017

Genesis Water Technologies wins Top Industrial Water Treatment Project Award

Kelowna, BC—Enertopia Corporation (ENRT) on the OTCQB and (TOP) on the CSE (the "Company" or "Enertopia") is pleased to announce our technology partner Genesis Water Technologies Inc., (GWT) a global leader in specialized water treatment solutions has won this award for the second year in a row.

GWT was chosen as one of the recipients of this prestigious Water & Waste Digest's Top Industrial Water Project Award for work on a wastewater project for removal of toxic phenolic compounds among other specialized contaminants in a petrochemical facility application in Egypt, North Africa.

Genesis Water Technologies sustainable water treatment solutions provide reduced cost and increased operational efficiency which reduces the water footprint and government compliance costs across many industries. Their water, waste water treatment, and water reuse solutions have been recognized for their innovation and performance in assisting their client's water treatment issues across the world.

The IWWD Top Industrial Water Project Award is being presented today to GWT at the Water Environment Federation Technology Conference (WEFTEC) being held at McCormick Place Chicago, IL. The WEFTEC conference is the largest of its kind in North America.

Nick Nicholas, Technical Manager for Genesis Water Technologies, Inc. states, "We truly appreciate being chosen as a recipient of the Water & Waste Digest's top industrial water project award again for 2017. We are honored to be recognized for this award.

"We are excited to be partnering with Genesis Water Technologies in our lithium projects in Nevada, and I congratulate them on this important achievement", states Robert McAllister of Enertopia.
