

Config Consultants Achieves Oracle Cloud Excellence Implementer Status

Config Consultants has achieved the Oracle CEI recognition for their Oracle Sales Performance Management, Configure-Price-Quote, and Sales Cloud practices.

PLEASANTON, CALIFORNIA, UNITED STATES, October 2, 2017
/EINPresswire.com/ -- Config Consultants, a global professional services firm and Oracle Platinum partner, today announced it has achieved the Oracle Cloud Excellence Implementer status.

The Cloud Excellence Implementer Program is designed to increase partner success and customer satisfaction with Oracle Cloud implementations. This new program recognizes and differentiates highly qualified consulting firms that demonstrate ongoing expertise, successful track records and superior customer satisfaction in Oracle Cloud implementations.

"Being chosen as an elite professional services provider of Oracle SPM, CPQ, and Sales Cloud solutions is tremendous recognition for Config Consultants. As Oracle continues to release robust cloud software, customers are taking advantage of the innovation to transform their businesses. Partnering with Oracle has been a great opportunity for Config Consultants to share our expertise in new technologies and business value design to help our customers reach their fullest potential." – Chris Armstrong, Vice President of Professional Services, Config Consultants

About Config Consultants
