/EINPresswire.com/ -- Berkshire Monarchy Group Latest 2017 Charity News

For continued enjoyment for 2017, the Berkshire group chair Karen Aston & HRH Princess Katarina of Serbia entered [#SuperCarGB](#) 2017 for the Berkshire CMA Group. This exclusive event organised with Autumn & Peter Phillips to drive with an all female charity CMA team, with a royal team member. Firstly, we must thank again HRH Princess Katarina of Serbia for enabling the all girls team to enter and succeed on this mission, Supercar GB 2017- Route Dolomites. The charity drive in total covered over three thousand miles through six countries, in only 5 days and visited France, Austria, Italy, Switzerland and Croatia on our incredible dolomites route.

The team also very fortunate, thanks to W1PR.com sponsorship, to hire a special Audi R8 Supercar from London company, Hertz Dream Collection. So the CMA team felt absolutely delighted to complete the Dolomites in a British registered supercar and also support UK businesses, as part of the project. Consequently, the CMA team have helped two global education charities and enjoyed an absolutely amazing, fun summer in Berkshire, London and six European countries.

The Berkshire group continues to hold fun, colourful and charitable events with clear Royal links to promote education and a better understanding of the Monarchy in today's society. Our next event is planned for the evening of November the 9th, in Kensington London. Here, the group will recognise and give awards to inspirational females nominated by the general

public for, exceptional contributions to society.
