

Kardtects Wins Creative Play Award by Taking Classic Fun and Adding a Modern Twist

Kids love building card houses with Kardtects Building Cards. Easier and more rewarding than ever before.

MILLVILLE, PA, UNITED STATES, October 4, 2017 /EINPresswire.com/ -- [Kardtects Building Cards](#) takes the classic fun of building a card house and adds a modern twist. This twist provides lots more reward and thrills for kids. The building cards are exclusively designed for building, which makes building card houses a lot easier and rewarding than ever before. Kardtects building cards also include original artistic features inspiring imaginations and promoting creativity in children. They are the ultimate way to build card houses.

Creative Child Magazine agreed Kardtects Building Cards were exceptional, and recognized Kardtects with their Creative Play Award. This was a special honor for Kardtects. One of the company's main goals is to encourage creativity within children. They have succeeded.

Kardtects understands the more a toy does while playing, the less a child does. Sometimes limiting a child's imagination. For this reason, Kardtects is proud to offer building cards which allow children to actively engage in play. The classic and back to basics style of play, of which Kardtects building cards presents, promotes the development of important life skills and learning in children. This is an extremely rewarding aspect to Kardtects.

Currently, there are three different styles of Kardtects Building Cards on shelves;

Kardtects Wins Creative Play Award

Card House built from Kardtects Lost Desert Starter Set and Expansion

in both Starter and Expansion sets. They are Lost Desert, Forbidden Jungle, and Grisroc building card sets.

The starter sets include 110 exclusively designed building cards, plus one ultra-rare collectible building card in a box. The perfect amount to begin building card structures. Also included are 2 Destroyer Disks for knock down fun, 5 card stands to aid beginner builders, and instructions.

The expansion packs provide 30 additional collectible building cards to expand building card collections. These packs consist of a variety of artistically featured and colorful cards, ranging from common, uncommon, rare, and ultra rare card status.

These building card sets are available online at [Kardtect's own website](#), Amazon, Hearthsong, and numerous Specialty Toy Stores (check site for locations).

Card architects (Kardtect's) are building the most incredible structures.

The Creative Child Magazine's Awards Program is mom tested, educator approved. To receive a reward from this prestigious program is a distinguishing honor. Twice a year, moms, educators, and other professionals gather together in Henderson, Nevada to offer honest reviews on products. Based on scores, products are then determined whether to receive an award or not.

After being strictly evaluated by numerous professionals, it was determined Kardtect's Building Cards should be awarded the 2017 Creative Play Award. Kardtect's was thrilled to be the recipient of such a meaningful award.

The company continues to strive towards excellence and offering creative play for children.
