Indie singer-songwriter Eddy Mann releases the “Storm in a Teacup” official lyric video as the sixth in a series of lyric videos from “The Consequence” album.

PHILADELPHIA, PA, USA, October 10, 2017 /EINPresswire.com/ -- Indie award winner [Eddy Mann](#) has released the “[Storm in a Teacup](#)” official lyric video from “[The Consequence](#)” album released in November of 2016. This is the sixth in a series of lyric videos from the album. The song follows the success of singles “The Consequence,” “All I Need Is You” and “She’s Me.”

"We've all seen and or heard the couple that seems to have forgotten why they're a couple. When their love for each other has been overshadowed by the little unimportant things in life. We're all guilty at one point or another of taking our gifts and blessings for granted," explained Eddy. "It's love that withstands the storm, that heals, that overcomes."
