Put on by Foinse, LLC and presented by deBanked, Broker Fair 2018 will be at The William Vale in Brooklyn, NY on May 14, 2018

NEW YORK, NY, UNITED STATES, October 5, 2017 /EINPresswire.com/ -- Foinse, LLC, in collaboration with deBanked, is excited to announce [Broker Fair 2018](#), the inaugural conference for merchant cash advance (MCA) and business loan brokers. Broker Fair 2018 is being held at The William Vale in Brooklyn on May 14, 2018. It will be the largest gathering of MCA and business loan brokers in the country.

This exclusive one-day event in New York City's most vibrant and creative corner will offer brokers, lenders, funders, and service providers opportunities to learn, connect, and grow their businesses.

Broker Fair founder and deBanked Chief Editor Sean Murray, said "Online business lenders, MCA providers, and independent brokers employ thousands of salespeople to connect business owners with sources of capital. There are numerous products, tools, and resources out there now but the landscape remains fractured. Through Broker Fair, I want to empower the salespeople, empower the brokers. They're the ones on the frontlines with America's small business owners.

I've been covering this space for seven years and was actually an MCA broker myself prior to that. I know the industry. A lot of folks and companies want to be successful but I know that they also want to have a positive impact on their customers and the industry they're a part of. I want to facilitate that and more at Broker Fair."

The three central tenets of the conference will be education, inspiration, and opportunities.
