

# Silicon Valley Real Estate Agent Drastically Increases Interest In Homes

*Local real estate agent uses an innovative marketing approach to attract 50 to 100 buyers to a home within just 48 hours!*

SAN JOSE, CALIFORNIA, UNITED STATES, October 6, 2017 /EINPresswire.com/ -- San Jose, California – October 6, 2017 – With so many homeowners needing to get absolute top dollar from their home sale, choosing the right person to promote their property is more important than ever. Local agent Steve Luethje has pioneered an amazing marketing plan entitled the Best Bidder Home Sale which gets 50 to 100 buyers into a property within only one weekend.

With his proprietary mass marketing, Steve Luethje creates a tremendous buzz in town concerning the property he is planning to sell that weekend. Everything from signs to ads to people at each intersection known as “Sign Spinners”, he is able to attract 50 to 100 home buyers into a property within a 2-day open house.

This approach gets a minimum of 6 bidders on each home and creates a “feeding frenzy” where the buyers are competing against each other to purchase the hottest property on the market. When buyers are competing to purchase a home, it drastically increases the final sales price.

While Steve won't reveal everything regarding his secret marketing technique, we've seen that he starts the bidding process extremely low, creating massive interest from the buying community. As with all home sales, the seller can accept or reject all offers so as the buyers interest level increases, so does the offer values.

It's not uncommon for this approach to sell homes for much MORE than the seller originally wanted for their property. This creates a win/win for everyone involved. The Best Bidder Home Sale is only offered by 100 certified agents in the United States and it has been featured on NBC, FOX, CBS and CNN. Fortunately, San Jose, CA has one of those agents in Steve Luethje with The Luethje Team at Realty One. Taking the industry by storm, this exclusive marketing approach has created fast home sales and extremely excited home sellers.

The results locally have been outstanding. “I've been successful in selling 100% of the homes that we've marketed with this exciting approach. It gets the home sold fast and for top dollar and that is what the home sellers are looking for in today's market,” said Steve Luethje- Realty One Group Infinity. “Unfortunately, we only have 4 weekends per month to utilize this approach and our schedule fills up quickly”.
