

INCAPTA, INC. teams with LINKS to FREEDOM foundation and Byron Casper, Son of Legendary Professional Golfer Billy Casper

DALLAS, TX, UNITED STATES, October 9, 2017 /EINPresswire.com/ -- InCapta, Inc (OTC PINK: "INCT" in association with LINKS to FREEDOM foundation and Byron Casper, son of legendary professional golfer, the late Billy Casper, team up to help as many wounded and disabled veterans as possible.

InCapta, Inc loves golf and holds Gold Star Spouses and Veterans in the highest regard for their dedication and sacrificial service to the nation.

Greg Martin, Chairman and President of InCapta Inc., said, "Links to Freedom is making a difference in the lives of our greatest national treasures which are Gold Star Spouses and Veterans. We look forward to assisting Links to Freedom foundation, its benefactors and those it serves and assisting my long-time friend, Byron Casper."

LINKS TO FREEDOM FOUNDATION

At Links to Freedom, our vision is to be America's leader in supporting the mental, social, emotional and physical rehabilitative needs of wounded warriors, disabled veterans, their families and caregivers, Gold Star spouses and their children by building lasting relationships between the military and civilian golfing communities.

To this end, our programs in Virginia, Maryland, Utah and Southern California are in full swing helping to "link freedom" that comes with adaptive golf for the lives of hundreds of veterans already. Our greatest desire is to help as many wounded and disabled veterans as possible through our forward-thinking rehabilitative program.

It is with great pleasure that we announce Byron Casper, International PGA Golf Professional, golf coach and son of professional golfing legend Billy Casper will help lead Links to Freedom as the National Golf Ambassador as well as our Program Director of the San Diego program. Byron's role

Links to Freedom

will be to raise the profile of Links to Freedom around the country, work with sponsors, and continue to help the wounded veterans build the lasting sense of wellness and connectedness with their families and communities. We are very excited to reach the next phase to provide additional programs around the country to help many, many others.

Byron Casper: "What an amazing and worthy cause, helping our wounded military and their families with golf as a rehabilitative and social therapy. In two short months of running the program in San Diego, I have experienced more amazing stories than in the last decade of my career. I'm sincerely looking forward to continuing to actively help our wounded and disabled veterans, as well as raise the profile of this unique and amazing Links to Freedom Foundation program.

We're not a household name yet, but this foundation should be. These men and women deserve to be given something back, considering all they have given to every one of us. Please join me in raising the profile and the funds to build Links to Freedom into an organization that literally helps thousands of our military around the country. "

Notice: Certain statements in this news release may contain forward-looking information within the meaning of Rule 175 under the Securities Act of 1933 and Rule 3b-6 under the Securities Exchange Act of 1934, and are subject to the safe harbor created by those rules. All statements, other than statements of fact, included in this release, including, without limitation, statements regarding potential future plans and objectives of the company, are forward-looking statements that involve risks and uncertainties. Technical complications that may arise could prevent the prompt implementation of any strategically significant plan(s) outlined above. The company cautions that these forward-looking statements are further qualified by other factors including, but not limited to, those set forth in the company's latest Form 10-K filing and other filings with the U.S. Securities and Exchange

Commission (available at www.sec.gov). The company undertakes no obligation to publicly update or revise any statements in this release, whether as a result of new information, future events, or otherwise.

SAFE HARBOR:

The aforementioned statements and any future correspondence made by InCapta, Inc. (the Company) may be forward looking in nature, particularly related to the business plans of the Company within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934, and are subject to the safe harbor created by these sections. Actual results may differ materially from projected statements. The Company believes that its primary risk factors include, but are not limited to the need for substantial financial requirements; the need to develop effective internal process and system; changes in the overall economy; changes in technology, the number and size of competitors and the mix of products and services offered in its markets; and changes in the law and regulatory policy. Additionally, certain information included in this communication contains statements that are forward-looking, such as statements relating to the future anticipated direction of the financial service industry, plans for future expansion, various business development activities, planned capital expenditures, future funding sources, anticipated sales growth and potential contracts. These forward statements are subject to a number of known and unknown risks and uncertainties that could cause actual operations or results to differ materially from those anticipated. These risks include, among others, risks associated with unproven sales of the Company's products, risks associated with the consumer products industry and the risks related to the transition to a new management team.
