

# 10 People You Need to Meet at Inside Fintech Conference & Expo 2017 in Seoul

*10 People You Need to Meet at Inside Fintech Conference & Expo 2017 in Seoul; Speakers Announced for the Leading Fintech Conference in South Korea*

SEOUL, KOREA, October 11, 2017 /EINPresswire.com/ -- Rising Media, Inc. and KINTEX have announced that 2,200+ professionals representing more than 600 companies and 32 countries are expected to attend the upcoming Fintech, Bitcoin and Blockchain event Inside Fintech Conference & Expo at the Korean International Exhibition Centre (KINTEX) in Seoul, South Korea.

The Inside Fintech Seoul agenda focuses on disruptive financial technologies and business models that are changing how consumers and businesses spend and borrow money. The conference program includes 40+ world-class speakers discussing payments, banking, AI, blockchain, cryptocurrency, lending, crowd funding, bio-metrics, remittance, e-commerce, RegTech, and InsurTech.

Inside Fintech will serve as a platform for attendees to meet and connect with key individuals and forward-thinking companies leading in this sector, with opportunities in both the conference as well as the exhibition hall.

Inside Fintech Seoul speakers include:

[Dongbum Lee, Architect of Microsoft Modern Application Center](#) leads blockchain projects across the APAC region for a diverse array of industry players. Lee has worked extensively on issues of competitive, mission critical, complex tech challenges such as cognitive services, artificial intelligence, and IoT.
