

TechTrans Announces Partnership with Tidel

Leading 3PL provider will launch program to manage logistics for cash recycler units at retail locations nationwide

SOUTHLAKE, TEXAS, UNITED STATES, October 11, 2017 /EINPresswire.com/ -- [TechTrans](#), a leading provider of nationwide transportation and logistics solutions, is proud to announce a new partnership with Tidel, one of the world's leading manufacturers of automated cash management systems for the retail industry. TechTrans will be responsible for coordinating the transportation, delivery, and installation of Tidel's Cash Recycler Units at customer locations nationwide.

[Tidel's cash recycling solutions](#) enable high-cash volume businesses to automate the recycling and dispensing of coins and notes, to help drive more efficiencies and accountability for their cash operations. TechTrans will offer a single-source solution for all logistics and installation activities required for Tidel's recycler customer sites across the country.

“

The partnership between Tidel and TechTrans combines industry leading cash management solutions with best-in-class logistics execution of delivery and installation services.”

Troy Richard, Executive Vice President of Operations, Tidel

says the logistics partner is well positioned to take on his company's complex needs.

“The partnership between Tidel and TechTrans combines industry leading cash management solutions with best-in-class logistics execution of delivery and installation services,” said Richard. “We are excited to bring a seamless experience with minimal disruption to our customers and their business operations.”

“We have a strategy in place that will allow Tidel's products to move more efficiently and effectively through the supply chain, and improve downstream fulfillment of their products post-sale,” said Len Batcha, President of TechTrans. “Our team of specialists -- from our warehouse managers to our shippers to our technicians in the field – are uniquely positioned to offer the full scope of services required to operationalize Tidel's recycling solutions.”

With TechTrans' extensive background not only in retail, but also the medical, residential, and technology industries, Troy Richard, Executive Vice President of Operations for Tidel,
