

Roger Stone and Milo Yiannopoulos United in Orlando for Friday the 13th “Free Speech Menage a Trois”

Organized by the Central Florida Post, Citizens for Trump, and Seminole 4 Trump

ORLANDO, FL, USA, October 12, 2017 /EINPresswire.com/ -- [Roger Stone](#) and [Milo Yiannopoulos](#) will be joining forces this Friday, October 13th for a political Halloween party to end all parties in conjunction with the Central Florida Post, Citizens for Trump, and Seminole 4 Trump for the “Free Speech Menage a Trois” and tickets can be purchased here <https://events.centralfloridapost.com/milo-takes-orlando-book-signing-party>.

Free Speech Menage a Trois Happens Friday, October 13

“The Tech Left has tried to shut down MILO time and again. Each time they try to censor truth tellers like us, Americans will continue to be brainwashed by the mainstream media. I’m looking forward to meeting with hundreds of brave patriots to celebrate free speech,” explains Stone.

It’s going to be an action-packed, festive evening as both Stone and Yiannopoulos will be roasted for your comedic pleasure, a book signing of the two NY Times best-selling authors, hor d’oeuvres, cocktails, entertainment and since it’s Halloween themed, the guests are encouraged to come in costume and to sign up for the politically incorrect costume contest where the winner gets a very special grand prize.

"This book signing, like my book itself, is not a safe space. I wouldn't be surprised in any liberals in the area start a petition to label Sharpies as assault weapons," says Milo. "So, I look forward to meeting all the deplorable trolls that I proudly call my supporters and fans."

The VIP reception will be held from 6pm to 7pm, followed by the main event from 7-10pm.

Donations for Hurricane Irma Relief will be taken, along with a special raffle and silent auction to benefit local non-profits focused who are helping Floridians recover.

About Milos Yiannopoulos

is a British political commentator, media personality, blogger, journalist and author associated politically with the alt-right. Yiannopoulos has said there are many "points of difference" between him and the alt-right movement. A former senior editor for Breitbart News, he describes himself as a "cultural libertarian". He is a vocal critic of feminism, Islam, social justice, political correctness, and other movements. Mr. Yiannopoulos established himself as the Internet's most controversial star in 2015, and launched the Dangerous Faggot college tour in 2016, visiting 40+ campuses across the United States. His politically incorrect approach to important issues has gotten him banned from Twitter, and roasted by the mainstream media. After his debut book Dangerous shot to #1, Simon & Schuster famously abandoned Yiannopoulos, sacrificing his tome to the kangaroo court of social justice warriors around the world. He is now independently publishing Dangerous, under the moniker Dangerous Books... FIGHT THE POWER.
