cFocus Software launches Washington DC Bots and Chatbots Meetup

LARGO, MARYLAND, UNITED STATES, October 17, 2017 /EINPresswire.com/ -- cFocus Software announces the launch of the Washington DC Bots and Chatbots Meetup. Founded September 29, 2017, the monthly meetup is designed to engage developers, government agencies, businesses, and technology enthusiasts in discussions, demonstrations, and collaboration around the latest bot & chatbot-related trends and technology.

The inaugural Washington DC Bots and Chatbots Meetup is scheduled for October 24, 2017.

The details of the October 2017 event are as follows:

Inaugural Washington DC Bots & Chatbots Meetup

Date & Time: October 25th, 2017 6:30 pm – 8:00 pm
Location: Tenley-Friendship Neighborhood Library; 4450 Wisconsin Ave NW, Washington, DC 20016

Event Description: Special guest Dave Morton, Administrator at www.chatbots.org will join us.
Additionally, we will present the recently announced Conversation Designer (part of the Microsoft Bot Framework) which integrates natural language understanding and a graphical user interface for designing bot dialogs.
