

Adhesives Market Worth USD 53.5 Billion By 2022

Meticulous Research published a report titled as 'Adhesives Market- Global Opportunity Analysis And Industry Forecast (2017-2022)'.

WEMBLEY, MIDDLESEX, UNITED KINGDOM, October 18, 2017 /EINPresswire.com/ -- The [global adhesives market](#) is expected to reach USD 53,503.0 million by 2022 supported by a CAGR of 4.5% during the forecast period of 2017 to 2022, according to a recent publication by Meticulous Research™. The global [adhesives market](#) is primarily driven by growing demand for consumer goods with rising urbanization & improving lifestyle; rising demand for hot melts adhesives; and growing automotive industry with increasing demand for lightweight and low carbon emitted vehicles. Further, rising demand from emerging economies and growing need for eco-friendly, low VOC, & green sustainable adhesives offers significant opportunities for the growth of adhesives market during the forecast period.

Market Segmentation

The global adhesives market is mainly segmented by type into non-reactive adhesives (water based adhesives, solvent based adhesives, pressure sensitive adhesives, and hot melt adhesives), reactive adhesives (multi-part adhesives and one-party adhesives). The one part adhesives market is further segmented into heat curing adhesives, moisture curing adhesives, and UV curing adhesives. The market is also analyzed by application (packaging industry, construction industry, automotive industry, electronics & electrical industry, furniture & laminates industry, leather & footwear industry, consumer/do-it-yourself, medical industry and others), and by origin [natural and synthetic (acrylics, polyvinyl acetate, vinyl acetate-ethylene, polyurethane, ethylene-vinyl acetate, polyethylene, and others)]

On the basis of type, non-reactive adhesives segment dominated the overall adhesives market and is also expected to grow at a faster CAGR during the forecast period, owing to the rising adoption of water-based adhesives and hot melt adhesives due to their lower VOCs and their wider application in many industries including packaging, construction, automotive, electronics & electrical, leather & footwear, and medical industries.

Geographic Overview

Based on the geography, global adhesives market is segmented into North America, Europe, Asia-Pacific, Latin America, and Middle East & Africa. Asia-Pacific region holds the major share in global adhesives market, owing to the huge demand for adhesives in industrial manufacturing in the region. In addition, rising industrialization; infrastructural developments, and rising private & government investments in these sectors; rising demand for various consumer goods from large population base; growing income level; and rising urbanization are the other key factors propelling the growth of the Asia-Pacific adhesives market. Asia-Pacific region is also the fastest-growing regional market in the global adhesives industry.

Key players

The key players in the global adhesives market are 3M (U.S.), H.B. Fuller (U.S.), Henkel AG & Co. KGaA (Germany), The Dow Chemical Company (U.S.), and Sika AG (Switzerland), Arkema (France), Huntsman Corporation (U.S.), Avery Dennison (U.S.) Wacker Chemie AG (Germany), Royal Adhesives and Sealants (U.S.), Franklin International, Inc. (U.S.), LORD Corporation (U.S.), and Illinois Tool Works Inc. (U.S.).

Key questions answered in the report

Which are the high growth market segments in terms of product type, application, and regions/countries?

What is the historical market for adhesives across the globe?

What are the market forecasts and estimates from the period 2015-2022?

What are the major drivers, restraints, and trends in the global adhesives market?

Who are the major players in the global adhesives market and what share of the market do they hold?

Who are the major players in various countries and what share of the market do they hold?

What are the recent developments in the global adhesives market?

What are the different strategies adopted by the major players in the global adhesives market?

What are the geographical trends and high growth regions/countries?

Who are the local emerging players in the global adhesives market and how do they compete with the global players?

About Meticulous Research™

Meticulous Research™ is founded in 2010 and incorporated as Meticulous Market Research Pvt. Ltd. in 2013 as a private limited company under the Companies Act, 1956. Since its incorporation, the company has become the leading provider of premium market intelligence in North America, Europe, Asia-Pacific, Latin America, and Middle East & Africa.

With the meticulous primary and secondary research techniques, we have built strong capabilities in data collection, interpretation, and analysis of data including qualitative and quantitative research with the finest team of analysts. We design our meticulously analyzed intelligent and value-driven syndicate market research reports, custom studies, quick turnaround research, and consulting solutions to address business challenges of sustainable growth. Meticulous Research produces global reports and custom studies for North America, Europe, Latin America, Asia-Pacific, and Middle East and Africa regions. These reports are used by our clients for marketing and strategic planning in various sectors.
