[Mobile Homes Market 2017](#)

A mobile home is a residential structure having a permanently attached chassis, which is completely built and assembled in a factory. This structure is then transported to a physical site on its own wheels or towed on trucks, where it is attached permanently or semi-permanently to the land, and connected with pre-existing utilities. Mobile homes usually come installed with all plumbing fittings, heating, ventilation and air-conditioning (HVAC) systems, and necessary electrical appliances.

The analysts forecast the global mobile homes market to grow at a CAGR of 7.86% during the period 2017-2021.
