Visitors travel to Barbados to enjoy sun-kissed sandy beaches and endless sunshine. The island offers an excellent selection of restaurants from excellent dining cuisine to local eateries and rum shacks. Barbados is one of the largest Caribbean

Islands and is by far one of the most popular year-round with flights from the US, Canada and Europe daily. Linda Browne Sales and Marketing Executive at Exceptional Villas has said 'Barbados is our most popular island in the Caribbean for both couples and families. The Island is easily accessible, offers year-round sunshine, has the most luxurious homes many of which have chefs and cooks. The island offers an array of amenities to keep the whole family entertained.' The company who says Barbados is one of their client's favourite destinations to visit has seen an increase of 5-10% every year for the last six years for Barbados, and they expect this to continue for 2018.

The Turks and Caicos Islands are one of the most popular locations for US clients. The island of Providenciales is the most sought-after location within the TCIs and travel company Exceptional Villas

says it is the perfect location for couples and families. Exceptional Villas features a wide range of ultra-luxurious fully staffed homes in Turks and Caicos – many of which are on Grace Bay Beach. The company also features many high-end resorts along the world-famous Grace Bay Beach. Resorts are the ideal place for a couple looking for a romantic vacation or honeymoon and for a small family who is looking for the privacy of their own home but with all the benefits of being in a resort type complex that offers restaurants and amenities onsite. The company says, 'there is a growing trend for villas within resorts, and we are finding more and more people are looking for the type of product not only in Turks and Caicos but throughout the Caribbean and Europe.' Another reason the Turks and Caicos Islands are so sought after is the excellent water sports and water activities that the islands have to offer including some of the best diving in the world.

Jamaica

Jamaica is by far the most popular vacation destinations for multi-generational families according to Exceptional Villas. Many of their luxury villas in Jamaica come fully staffed with private chefs, housekeepers, laundress, butlers and gardeners. What's more most of the villas with Exceptional Villas include access to one of the exclusive resorts such as Round Hill, Tryall Club or Half Moon. This membership benefits those families who are looking for endless amenities. Jamaica accounts for over 15% of the company's revenue for 2017.

Grand Cayman

Grand Cayman is a trendy destination, and Exceptional Villas are one of the leading villas rental companies featuring the most villas in Grand Cayman than any other villa company. The company has seen an increase in demand for Grand Cayman especially in 2017, and they attribute this to the ease of access to the island and the reasonable cost of flights to the destination. The island is easily accessible from the
